The screenshot displays the 'Edit Post' form in the application. The navigation bar and success message are identical to the previous view. The form is titled 'Edit Post' and contains several input fields: 'Title' (containing 'contoh'), 'Author' (containing 'Alya Mutiya Ningsih Pertiwi'), and 'Article' (containing 'Latihan MODUL 8: PENGANTAR FRAMEWORK & MVC ARCHITECTURE + CODEIGNITER 3'). Below these fields is an 'Image' section. It shows the 'Current Image' as a red book icon above a grey 'U' shape. A file selection button labeled 'Pilih File' is followed by the text 'Logo_Telkom_University_potrait.png'. Below this, a note specifies 'Allowed formats: JPG, JPEG, PNG, Maximum size: 2MB' and 'Leave empty to keep current image'. At the bottom of the form are two buttons: 'Update Post' and 'Cancel'.
